Hi folks,

Was discussing with Agnes at the Navy for how the Ed Board meeting would run. She suggested that EPA kick off the discussion, and it could run somewhat like the press conference

How does this sound for an agenda?

- US EPA provides opening remarks and short introduction to Red Hill AOC/Issue
- DOH provides any addition comments on state perspective to AOC
- Navy provides their comments
- Open for questions from Star Advertiser editorial staff

Wasn't thinking the remarks from us or DOH needed to be long, just basically setting the stage for questions/discussion.

Just let me know what you folks think and will reply to Agnes with our suggestions.

Thanks!
